The background image shows a panoramic view of a modern city's skyline during sunset or sunrise. The sky is filled with large, soft, circular light漏 holes, creating a dreamlike atmosphere. In the foreground, a major highway with multiple lanes of traffic cuts through the city. Several prominent skyscrapers are visible, including one with a distinctive curved, sail-like top. The overall scene conveys a sense of urban development and architectural grandeur.

AYMCO MANPOWER SERVICES is well-reputed among the manpower recruiters in Pakistan.

AYMCO is the Beacon of Light to follow as a model in the new era because it delivers smart, skilled, and committed manpower to European, Central Asian, and Gulf countries. Manpower is selected through transparent and strict criteria.

AYMCO deals in manpower as a ritual duty. When our manpower becomes part of foreign companies, they act as ambassadors of Pakistan through their positive behavior and capabilities. Social, Cultural, and economic relations with these countries become the strongest and everlasting.

Executive Director

It's been a real pleasure in introducing our company profile.

Pakistan, with so many undiscovered possibilities has been one of the prospective countries for which international recruitment market has always relied on for the hardworking manpower. Keeping this statement in mind, we always have been in our best status to provide reliable and right candidate for our clients. Plus, as we believe in innovations, we explore the market and study it properly so that we can serve our clients in the same crucial way. The commitment we make with our clients is bound with our outward looking policies.

Every individual candidate, we aspire them, motivate them and encourage them for the work they are going to be assigned by our professional trainers. This is why, we have very strong compilation of the human resources bounded with us. And, we are sure that this would be the far most quality that our clients seek too.

For now, we can assure you, our strong and steadfast services that will be generated throughout our sincere relationship with you.

Thank you all,. We look forward to a good business relationship with your company.
With Our Best Wishes.

Organizational Structure

Aymco Manpower Services

Aymco Vision

Vision

To be a preferred name in Recruitment Services provided in the world market, quality and value for Manpower.

Mission

To practice high standards of efficiency in every project we undertake, executing it with hardwork, sincerity and professionalism. To help our candidates and upgrade the lives of our Pakistani fellows, we provide them with decent Overseas job opportunities. For our clients, we seek out those candidates who have the potential to become an asset to the growth of an organization.

Aim

Our aim is to satisfy clients as well as employees. Our reliance is to providing world class recruitments to our candidates.

Aymco Manpower Services Company Policy

Company Policy

Our policy is to provide talent to the best of employers. To fulfill the objective, we are equipped with an efficient and committed workforce and infrastructure, a devotion to the cause to serve humanity and above all, our honest thoughts because we believe that "Honesty is still the best policy".

Selection Process

The selection process has been designed in a way that makes us capable of selecting the right people not once but for always. It's been our continuous endeavor to find the best deal for the people on both sides of the court.

There are two stages in our selection process.

Screening Analysis

A screening analysis not only helps us to eliminate undeserving candidates in the beginning but also enables the employer not to get involved in unnecessary hassle to cope up with large numbers of candidates and not to waste their valuable time. After our advertisement in local and national daily newspapers, our selection committee sits together to find out the probable candidates according to their profile and the job requirements.

- Adequate education and work experiences
- Language requirement
- Physical fitness
- I.Q level
- Overall suitability index for a specific
- job requirement

Interview

It's the fine juncture of the selection in which the employer or his representative conducts the interview and selects the candidates after judging their capability for the required job. In many such cases we take full precaution and take every possible step to ensure the right candidate for our worthy employers.
